Remark

9. Eligibility

Applicants (natural person proprietors or legal person proprietors) meeting the following requirements may apply for the financial support:

- Non-debtors of the Macao Treasury registered with Macao Financial Services Bureau (DSF) and fulfilling tax obligations and engaged in the manufacturing, trading, retail or wholesale of products. For companies that have not registered their business scope as any of the above listed categories when the companies were founded, they are required to add one of the above-mentioned categories into their business scope and must have been engaged in the relevant business for a year or above.
- For legal persons, the companies must have over 50% of their capital contributed by residents of the Macao SAR. (With a view to fostering the diversified development of Macao's industries and mainstreaming Macao-related products, for companies not fulfilling the above requirements but are selling "Made in Macao" or "Macao Brand" products, discretion may be exercised regarding their eligibility.)

10. Important information for grantee

- The grant cannot be transferred to or shared with other enterprise(s).
- The grantee must submit the documentary proof of expenses within 90 days of the approval of grant, together with the statement that the amount is the actual sum paid after all kinds of discount and special offers.
- IPIM shall pay the financial support according to the applicant's actual use.

11 Other important issues

- The applicant/grantee must comply with the regulations of the Incentive Scheme, including truthfully providing information and making the relevant declarations, use the granted money for the purpose specified in the approval, ensuring the careful and rational planning and organization of funded activities, accepting and co-operating with public departments and entities as referred to in point 10 of the Scheme in inspecting the use of fund.
- The subsidized project must not receive any other financial support from IPIM or other public departments in Macao, except for the situation where IPIM made the above arrangement via co-ordination with other public entity(-ies).
- If there any major changes in the applicant's operation (e.g., change of share structure, business scope and business cessation) that will cause a discrepancy with the application information IPIM had previously received, the applicant must report to IPIM and update the relevant information within 15 days of the relevant changes.
- The grantee must comply with the laws and regulations of the Macao Special Administrative Region, particularly Administrative Regulation No. 18/2022 "Public Financial Support Scheme of Macao Special Administrative Region", the "Financial Support Regulation of Macao Trade and Investment Promotion Institute", which is approved by Dispatch No. 79/2022 by the secretary for economy and finance as well as regulations and other provisions of the Scheme.
- All application materials will be used for the purpose of this Scheme only. Applicants must ensure that the submitted documents and information are accurate and accept that they will not be returned once submitted.
- IPIM reserves the right to make amendments to and final interpretation regarding this Scheme.
